This has been a very difficult year for many due to the Covid 19 Pandemic, shut-downs, demonstrations and riots. It has been an especially difficult year financially for the foundation. We had to cancel our FRIENDS OF HAPPY TRAILS BANQUET that was scheduled for May 16. The banquet is our largest annual fundraiser and it cuts into our budget in a major way by not having it this year. We invite you to take a look at the great items in this auction and do what you can to help us at this critical time in the lives of the abused children we serve.

The Happy Trails Children's Foundation built the Cooper Home in Apple Valley, CA, the long-time home of Roy Rogers and Dale Evans, *King of the Cowboys* and *Queen of the West*, to provide a safe haven for children-at-risk who have been severely abused and/or neglected. Today, the Cooper Home serves as a long-term residential care and treatment center for severely abused boys. The Cooper Home is licensed for 44 beds and unfortunately stays full most of the time. We need your help and support at this critical time in the lives of these children who were so important to Roy and Dale.

The Happy Trails Children's Foundation is a charitable non-profit organization under Section 501(C)(3) of the Internal Revenue Code. All donations are tax-deductible to the extent allowed by law. Our tax ID number is: 95-3872257. We invite you to visit our website often: www.happytrails.org
THANKS FOR YOUR SUPPORT!
