**GRAND PRIZE**

The Roy Rogers "Happy Trails to You" Tribute Colt Single Action Revolver from America Remembers in .45 Colt caliber is our Grand Prize this year. This magnificent six-shooter is a celebration of timeless American ideals and the legendary entertainer who represented them to generations of adoring fans all around the world.

With his tremendous success, Roy never forgot his fans. Even at the height of his popularity, he tried to make sure every piece of fan mail that came in — sometimes as many as two thousand letters a week — got a personal response. Roy still made time to visit sick, injured and orphaned children around the country. Roy Rogers lived his life by the same code he preached to the young members of the Roy Rogers Riders Club: "Be courteous and polite ... protect the weak and help them ... be brave but never take chances ... always respect our flag and our country." Like the line in Dale's song, "Happy Trails," Roy believed, "it's the way you ride the trail that counts." From the trail's beginning to its end, Roy rode tall and proud, like the hero he was.

The revolver is decorated in 24-karat gold. Barrel features the legends "Happy Trails To You" and Roy Rogers Tribute, each displayed in a flowing banner, framed by Western-style scrollwork in the tradition of the finest presentation firearms. The recoil shield features a handsome portrait of Roy Rogers. This incredibly detailed image will certainly bring back your fondest memories of America's "King of the Cowboys. Along the backstrap is an image of Roy and his wonder horse, Trigger. This is number 176 of a very limited quantity of 250 Tributes. With a design that melds efficiency with beauty, the Single Action Revolver is known for its smooth handling, balance and style, characteristics that earned it a reputation as a classic Western six-shooter, admired by lawmen and outlaws alike. Today, the Single Action Revolver remains a popular favorite with collectors and Old West shooters.
