

Susan Robertson Saddle

TICKETS \$10 EACH OR 11 FOR \$100 US
DRAWING TO BE HELD
SATURDAY EVENING, MAY 15, 2021

The Happy Trails Children's Foundation is very pleased to present this year a magnificent custom hand-carved saddle made by the late Master Saddlemaker, Harlan Webb, for cowboy actor Dale Robertson. Robertson ordered this saddle as a special gift for his wife Susan. This beautiful saddle has some of the finest leather work this writer has ever seen! It has a 14" padded seat and double rigging, square skirts, and leather covered stirrups. Included is a matching headstall and gorgeous Visalia ring bit just like Dale Robertson used on his horse *Jubilee* in his hit television series *Tales of Wells Fargo*. Also included is a matching breast collar, saddle bags and rifle scabbard with a Winchester Model 92 lever-action rifle in .32-20 caliber. This is a real gun and subject to all firearm laws and regulations. Any transfer fees and/or taxes are the responsibility of the winner.

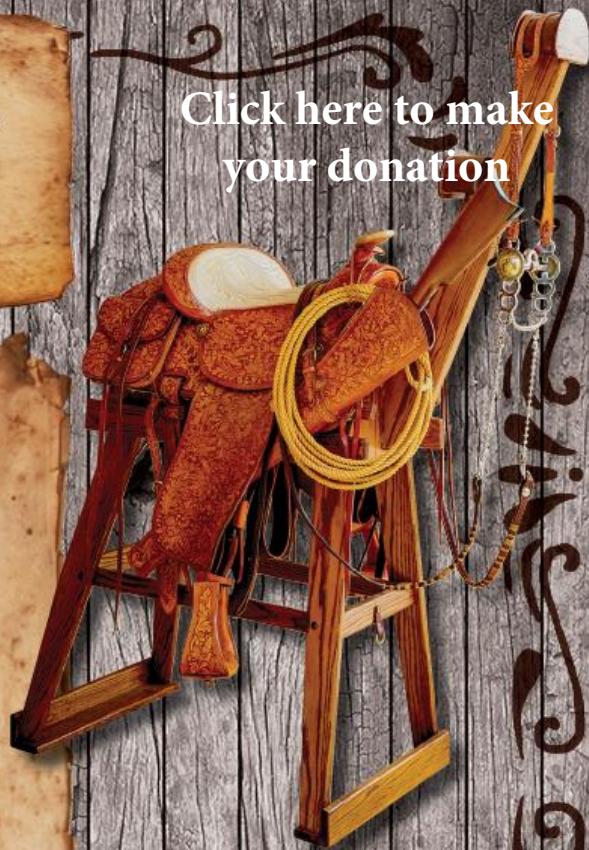

This saddle does not appear to have ever been on the back of a horse. You don't have to own a horse to enjoy this saddle. It comes with its own horse, a custom-deluxe saddle stand crafted by Master Woodworker, Terry Kirk. This saddle is the world's greatest conversation piece and will look great in your living room, den, man-cave, office or business. Included is a Letter of Authenticity from Susan Robertson.
